

# ONE YEAR LIMITED WARRANTY

## Ultra Violet Light Water Purification

### **One-Year Limited Warranty for the UV Chamber**

Water Depot warrants the UV chamber on the Excelight product to be free from defects in material and workmanship for a period of one (1) year from the date of purchase. During this time, we will repair or replace, at its option, any defective Excelight UV chamber. Please return the defective part to an Excelight dealer, who will return it to Water Depot. We will either make the necessary repairs or, if it is determined that a replacement is required, we will provide a replacement part. We will then return the part to the dealer. This warranty does not include shipping and handling charges which will be collected from you by the dealer. Parts repaired or replaced under this one (1) year warranty will be covered under warranty to the end of the original one (1) year warranty period. This warranty is also subject to the conditions and limitations outlined under the heading "General Conditions and Limitations" below.

### **Seven-Year Limited Pro-Rated Warranty for Structural, Hardware and Electrical Components**

Water Depot warrants the structural, hardware, and electrical components to be free from defects in material and workmanship for a period of seven (7) years pro-rated from the date of purchase. During this time, we will repair or replace, at its option, any defective parts covered by the warranty. Please return the defective part to an Excelight dealer, who will return it to Water Depot. We will either make the necessary repairs or, if it is determined that a replacement is required, we will provide a replacement part. We will then return the part to the dealer. This warranty does not include shipping and handling charges which will be collected from you by the dealer. Parts repaired or replaced under this seven (7) years pro-rated warranty will be covered under warranty to the end of the original seven (7) years pro-rated warranty period. This warranty is also subject to the conditions and limitations outlined under the heading "General Conditions and Limitations" below.

### **One-Year Limited Warranty for Lamps, Sleeves and UV Sensors**

Water Depot warrants original lamps, sleeves and UV sensors to be free from defects in material and workmanship for a period of one (1) year from the date of purchase. During this time, we will repair or replace, at its option, any defective parts covered by the warranty. The warranty period for lamps and sleeves may be verified using date codes in addition to purchase receipts and Water Depot database of registered owners. We will advise you whether the defective item needs to be returned to an Excelight dealer for failure analysis. Replacement lamps and sleeves provided under warranty will be sent to your Excelight dealer. If the UV sensor experiences a problem which Water Depot confirms is covered by warranty, please return the sensor to an Excelight dealer who will return it to us. We will either repair or replace the sensor and return the sensor to your dealer. This warranty on lamps, sleeves and sensors does not include shipping and handling charges which will be collected from you by the dealer. Parts replaced under this one (1) year warranty will be covered under warranty to the end of the original one (1) year warranty period. This warranty is also subject to the conditions and limitations outlined under the heading "General Conditions and Limitations" below.

### **Warranty for Replacement Lamps and Parts**

Water Depot warrants replacement lamps, purchased for annual routine maintenance, and other parts purchased to repair product components that are no longer covered by the original warranty, to be free from defects in material and workmanship for a period of three (3) months from the date of purchase. During this time, we will repair or replace, at its option, a defective replacement lamp or part free of charge except for shipping and handling charges. The warranty period on replacement lamps and parts will be verified using date codes and/or purchase receipts. Water Depot will advise you whether the defective item needs to be returned to an Excelight dealer for failure analysis. Replacement lamps and parts provided under warranty will be sent to your Excelight dealer.

### **General Conditions and Limitations**

None of the above warranties cover damage caused by improper use or maintenance, accidents, acts of God or minor scratches or imperfections that do not materially impair the operation of the product. The warranties also do not cover products that are not installed as outlined in the applicable Owner's Manual. The limited warranties described above are the

only warranties applicable to the Excelight products listed in the "Specific Warranty Coverage" section. These limited warranties outline the exclusive remedy for all claims based on a failure of or defect in any of these products, whether the claim is based on contract, tort (including negligence), and strict liability or otherwise. These warranties are in lieu of all other warranties whether written, oral, implied or statutory. Without limitation, no warranty of merchantability or of fitness for a particular purpose shall apply to any of these products. Water Depot does not assume any liability for personal injury or property damage caused by the use or misuse of any of the above products. Water Depot shall not in any event be liable for special, incidental, indirect or consequential damages. Water Depot liability shall, in all instances, be limited to repair or replacement of the defective product or part and this liability will terminate upon expiration of the applicable warranty period.

**Pro-Rated Ballast Warranty**

The electric ballast supplied with all Excelight models covered under this warranty are warranted for a total period of seven years, the coverage decreasing by a factor of 1/7 in each year upon the anniversary date of retail sale (provided the warranty has been registered with Water Depot and is valid). The prorated portion of an eligible warranty repair is based on the date that the problem is communicated to the dealer in writing, or of the day when the UV System enters the dealer and/or Water Depot for repairs, or the date determined by the dealer (subject to verification by Water Depot). Cost of further repairs to the ballast will be prorated from the original sale date.
